EARN WHILE YOU LEARN PROGRAM

Aaron Community Cultural Center (ACCC) offers a daily and weekly virtual entrepreneurial training sessions for the community at large. This training will teach goal setting and various entrepreneurial skills. We will assist the trainees in setting up an entrepreneurial club.

FOCUS OF TRAINING:

Training Materials and Sales Club Connection:

- This is a step by step hands-on coaching and group participation and master mind group. This connection is for those individuals who want intensive entrepreneur training.
- This training will require 2-10 hour per week - approximately 1-2 hours per day commitment learning and writing scripts, goal setting, appointment setting, follow up, and sales. (Cha Ching!)
- Each participant will work with an internationally nationally known product that will systemize their goals and life. Each participant will earn while they learn.
- This will occur as a 2-3 way monetary split.
- This is a 12 lesson 30 minute system the training occurs in 90 day blocks.

MONETARY EXAMPLE OF A WIN WIN FORMULA!

The Unstoppable Selling System!

The product cost is \$300.00 and the commission is @\$100.00 per system sold with a 3-way equal split – one third to the non-profit company, one-third to the participant (that's you) and one-third to ACCC.

- This commission covers the cost for using the non-profit's facility and recruiting.
- The participant is receiving thousands of dollars in training and a sellable skill allowing them to transfer these skills into a business of their own.
- ACCC will not charge the participant for the coaching and training, however, in exchange for their services they are requesting that each participant commitment to selling 5 systems and commit to 2 hours per week, minimum, during the first 90 days of training.
- Each participant will be required to take 2 assessments, be interviewed to ensure they are a right fit, sign an agreement, and complete an evaluation.

FOUR 90 DAY PROGRAM SKILL SETS

Every 90 days the program will focus on a different skill set topic and will include an overview of how to set goals, become a member of the Goals Club and Master Minding.

- First 90 Days: Business Structure
- Second 90 Days: Sales Presentations
- Third 90 Days: Marketing
- Fourth 90 Days: Time Management

Each participant will receive 2 FREE courses – “How to Successfully Close a Deal” and “Time Management”. Each trainee will also receive audio and video training – a \$1000 value for free!
